Attn: Michael Smith

This has been our 2nd experience with Smith Bus. Solutions. Your organization helped us achieve a successful sale 5 years ago – one store closing and focusing on our 2nd existing store.

Neil & Deb Barnes conducted our sale and when we called on Neil to help us run a retirement sale this year, we were disappointed that he and Deb could not do it – he said “I have the perfect Director for you”.

In walked the big, strong man, Mr. Paul Evans – full of direction, confidence, conviction, knowledge and energy – and we were totally once again comfortable with his skills, knowing he had our best interests at heart.

Along came his sales partner in the name of Teri Sharp – and sharp she is – and delight to observe her amazing sales ability. She charmed all of our customers with sincere cheer and cute British accent.

Without hesitation, we would highly recommend Smith Business Solutions to help anyone achieve immediate results.

Our goal was 1 Million and were happy to achieve almost \$950k. In fact, we virtually did one year's sales in 16 weeks. Our margins were excellent throughout the sale.

We appreciate so much that these special people devote their time and energy to us and leave their families for long lengths of time to help us achieve our goals.

Sincerely,
