Dear Mr. Smith:

Thank you for providing us with the tools to conduct the most successful sales event in our history. Over a 10 week period, during a tough economy, we managed to more than double our sales over the previous period.

The result was due in large part to Paul Evans, the on site sales conductor for the event. Paul and his sales team were professional and well organized. Paul’s experience was obvious as he adjusted our advertising to fit our budget, while continuing to bring more traffic through the door than we have ever seen before.

It was also important to us that Paul was flexible enough to address and respond to our concerns along the way. It would be a pleasure to recommend Smith Business Solutions Inc. should the situation arise.

Sincerely,

Bo and Pam Sandhu
